

REMARKS

Reconsideration and allowance are requested.

Applicant appreciates the indicated allowability of claims 2, 7 and 8.

The amendment to the specification addresses the drawing objection on page 2 of the office action. The above claim amendments add the subject matter of claim 2 to 1, and of claim 7 to 1 respectively. Other claim amendments simply address matters of form and the issues relating to "or the like" stated in the office action. Newly added claims 9-16 add the subject matter cancelled from claims 1-8. No new matter has been added by the above amendments or by the present response.

CONCLUSION

Since this Response places this case in condition for allowance, reconsideration and allowance are respectfully requested.

Respectfully,
